- (t) "State Government" means the Government of Sikkim in the Department of Animal Husbandry, Livestock, Fisheries and Veterinary Services;
- (u) "stray dog or cat" means any dog or cat not kept in compliance with the Act and the rules made hereunder;
- (v) "suspected" means suspected of rabies;
- (w) "vaccination" means the administering to an animal of an anti-rabies vaccine and such other vaccines as may be prescribed;
- (x) "veterinary hospital" means an institution or centre by whatever name called where animals are admitted for treatment;
- (y) "Veterinary Officer" or "Deputy Director" means a registered Veterinary Practitioner appointed by the State Government to receive information about animals and carcasses affected or suspected of being affected with specified diseases for the area in which the animal or carcass exists.

Responsibilities of Pet Owners

- 3 (1) Every pet owner shall-
 - (i) register their dog and cat before it reaches the age of 6 (six) months;
 - (ii) renew the registration annually;
 - (iii) pay the prescribed fee for registration and vaccination.
- (2) Every pet owner shall comply with the requirement for identification of their dog and cat as under, namely:-
 - (a) An owner must ensure that every dog or cat born after the commencement of the Act is microchipped by attaining the age of 3 (three) months and its identification-details are entered in the Sikkim Microchip Register.
 - (b) All dogs must wear a collar with identification-tag indicating the owner's name and telephone number.
 - (c) It is unlawful for any person to own or keep any dog or cat of 6 (six) months of age or older which has not been vaccinated against rabies as required by under the Act, or the rules made hereunder;
 - (d) Dogs and cats shall be vaccinated as early as on attaining the age of 3 (three) months or at an age as specified in the vaccine's license, but it will be considered as non-compliance according to this section if even after 6 (six) months of age, the animals are not vaccinated;

incidence thereof to local authorities i.e. District Medical Officer/ Chief Medical Officer of a district. The case of rabies in Animals shall be notified by the Veterinary Officer or Deputy Director of a District every month in the form as may be prescribed.

- (2) A person who knows or suspects that an animal is exposed to rabies or at the time of its death was so affected, shall, immediately give notice to an officer of the local authority or a health worker or an officer in charge of the respective police station. Any person so informed shall transmit the information received in the most expeditious manner to the Sikkim Anti Rabies and Animal Health Division.

**Declaration
of Infected
Area**

- 7 Where the State Government believes or suspects that any case of rabies exists in an area, it may by order declare that particular area together with any adjoining area as Infected Area for the purposes of control and eradication of that disease.

**Detention
or Destruction
of Any Animal
Exposed
to Rabies**

- 8 If any Veterinary Officer or Deputy Director of the Department or an Officer of the local authority or Officer-In-Charge of the respective Police Station receives a credible information of, or having reasonable grounds for suspecting, the existence of a case of rabies, he shall forthwith cause the matter to be investigated, and for that purpose may cause any animal to be examined and any diseased or suspected animal to be destroyed humanely or otherwise dealt with as he may think necessary.
